A pretty miss and her kisses are soon parted.

A diplomat is a man who knows how to hold his job.

It's funny that a "frost" makes a theatrical manager hot.

Most men like to be told that they are working too hard.

Most actors would rather have a long run than a short walk.

A politician like a poor workman always blames his tools.

The pugilist strikes an attitude when he has his picture taken.

Wise is the man who knows how to make a long story short.

When a strong man grows weak it is a woman he seeks for a crutch.

The pen is mightier than the sword when it comes to signing checks.

Fortune smiles on some people, but to the majority she gives the laugh.

People who parade their virtues encourage others into parading their vices.

The more you do for a man the madder he is with you for not doing more.

Youth will follow the torch in any one's hand; age wishes to carry it in its own hand.

Every time you forget to remember to tell a woman you love her she forgets you do.

The woman who isn't jealous about her husband is jealous about some other woman's.

Some men are such tuft-hunters that they brag about losing; all their money to a big gun.

Since the day of Mother Eve all the world has been searching for a pretty girl who did not know it.

The more ways a man has of showing how much he knows, the more ways he has of proving what a fool he is.

Probably Helen of Troy pretended she couldn't for life of her imagine why men bothered her running after her.

When a couple starts on their wedding journey each is thinking of what it will cost them, but his loss he figures in money.

If people could be young without being green and sentimental without being soft the world would be at the mercy of youth.

A woman will marry a man for himself and learn to love his riches afterward, but she seldom marries him for riches and learns to love him for himself.

If men did not get into trouble and have women stand by them they would never know what it is about women that makes men sometimes want to die for them.

There was never a rich old skinflint who at sometime in his life would not give all his gold to have one minute of the joy of a boy who doesn't know a dollar from a penny.

## Wanted.

We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of Indigestion, Dyspepsia, and Liver Troubles that has not been cured—and we also mean their results, such as sour stomach, fermentation of food, habitual costiveness, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try one bottle first. We have never known of its failing. If so, something more serious is the matter with you. Ask your oldest druggist.

### Sciatic Rheumatism Cured After Fourteen Years of Suffering.

"I have been suffering with sciatic rheumatism for fourteen years," says Josh Edgar of Germantown, Cal. "I was able to be around but constantly suffered. I tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured, and I am happy to say it has not since returned." It is for sale by Richardson Drug Co.

THE frivolous disposition of the Paris public when shown in connection with the Martinique disaster, when the city's populace was occupied with minor local sensation, and the distant horror made no impression at first although one of France's eldest and most prosperous colonies was blotted out.

### Caution!

This is not a gentle word—but when you think how liable you are not to purchase for 75c the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschee's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. Sold by all druggists in the civilized world.

Woodbury, N. J.

THESE are a few things on which the Republicans cannot get together: Tariff concessions to Cuba; financial legislation; Philippines policy; military and naval controversies, and even "prosperity"—because cost of living has grown faster than increase in wages. In a word, they are divided on all the great questions now stirring the minds of the people. In exercising a wise choice of policy and taking advantage of Republican disintegration the Democracy embraces a great opportunity.

### Whooping Cough.

A woman who had experience with this disease, tells how to prevent any dangerous consequences from it. She says: "Our three children took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops.—JESSIE PINKEY HALL, Springville, Ala. This remedy is for sale by Richardson Drug Co.
